## INTERNSHIP

Oasis Infobyte - A MSME Registered Start-Up

1st November, 2022 - 30th November, 2022

*Web Development and Designing Intern*

A MSME start-up that helped me to improve my development skills as well as soft skills. I have developed a few web pages for the company.

## ACHIEVEMENTS

**Geeks For Geeks** : Ranked 97 out of 2154 students in GEHU Dehradun Campus. Solved 170+ questions.

**Leetcode (2.5\*)** : Solved 200+ questions.

**Codechef (2\*)** : Ranked 755 out of 18590 in CodeChef's September long 2022 challenge division 4.

**Kick Start 2022** : Ranked 7089 out of 12300 in kick-start round G 2022.

**Sports** : I was selected for nationals in yoga. And I also participated in nationals in the athletic 3000mt race.

## CERTIFICATIONS

**Kick Start 2022**: Provided by Google for my accomplishments in Kick Start 2022.

**JavaScript Essential Training**: Provided by LinkedIn for completing the online course.

**Blockchain: Learning Solidity**: Provided by LinkedIn for completing the Solidity course.

**Java (Basic)**: Provided by HackerRank for successfully cleared the assessment test.

## PROJECTS

- Build a **Crowdfunding Website**. It is a Donation Website build with the help of blockchain, thirdweb, and web3. By using this website a user can donate to any campaign.
- Created a **User Authentication System**. It is an Authentication System build with MERN that supports the OTP service through emails.
- Developed a **Full-stack website**. It is an Unofficial website of Graphic Era University that displays academic, admission, course, etc details.
- Instituted a **Voice to Text & Text to Voice Converter** by using SpeechRecognition and SpeechSynthesisUtterance API. Languages used are 60% javascript, and 40.0% Html and Css.
- Implemented a **Cloud-based Chatbot** with the help of PHP and jquery with some inbuilt replies in the XAMPP database with 100% accuracy of replies.
- Formed a **ToDo List** using AngularJs to manage the task list.
